PREFACE

The Catalog of Copyright Entries for the year 1947 is issued in a new series and an enlarged format, a change designed to increase and extend the usefulness of the compilation. Inquiries, suggestions and comments on all details of the Catalog are solicited, and should be addressed to the Chief of the Cataloging Division, Copyright Office, Library of Congress, Washington 25, D. C.

CONTENTS. This part of the Catalog of Copyright Entries contains an alphabetical list of periodicals, including newspapers, registered in the Copyright Office in Class B from January 1, 1946 through December 30, 1947. Renewal registrations in this class for this period are listed alphabetically by title following the list of current registrations. An alphabetical title list of new periodicals, claims of copyright to which were registered during 1946 and 1947, will be found at the end of this issue immediately following the main body of the text.

ARRANGEMENT AND ENTRY. The arrangement is by title for each periodical listed, with cross references from new titles to former titles and from former titles to new titles when there has been a change in title. When the title begins with initials which obviously form the first letters in the name of the copyright claimant, the title is alphabetized or arranged as if the name of the copyright claimant were spelled out in full.

COPYRIGHT DATA. The statement of copyright facts following each entry begins with the copyright symbol ©, followed by the name of the copyright claimant, the volume number and year date, the number and date of each issue, its date of publication and registration number preceded by the class letter B.

DEPOSIT OF COPIES. In the case of every copyright entry listed in the Catalog, the deposit of copies (or copy) as required by Title 17, U.S.C., secs. 12 and 13 has been made.

AUTHORITY. The Catalog of Copyright Entries is published pursuant to the authority given in the provisions of Title 17, U.S.C., secs. 210 and 211. Section 210 provides that the Catalog "shall be admitted in any court as prima facie evidence of the facts stated therein as regards any copyright registration."

ORGANIZATION OF THE CATALOG. This issue of the Catalog is part of Volume 1 of the new Third Series. The parts are numbered according to the alphabetical sequence of classes as listed in Title 17, U.S.C., sec. 5. Titles are used to designate subdivisions. The following is the plan of publication for 1947:

Part 1A - Books and Selected Pamphlets.
Part 1B - Pamphlets, Serials and Contributions to Periodicals.
Part 2 - Periodicals.
Parts 3 & 4 - Dramas and Works Prepared for Oral Delivery.
Part 5A - Published Music.
Part 5B - Unpublished Music.
Part 6 - Maps.
Parts 7-11A - Works of Art, Reproduction of Works of Art, Scientific and Technical Drawings, Photographic Works, Prints and Pictorial Illustrations.

Part 11B - Commercial Prints and Labels.
Parts 12 & 13 - Motion Pictures.

Part 14B - Renewal Registrations - Music.

SUBSCRIPTION. The annual subscription price for the complete yearly Catalog of Copyright Entries is $20.00, payable in advance to the Superintendent of Documents, Government Printing Office, Washington 25, D. C., to whom inquiries and orders concerning the complete Catalog or any of its parts should be addressed.
